Tan't likely that husband will feed wife

life shall last. Should. Strict vegetari-

to prove it. They don't believe they're

Now is the time you should be getting more eggs—
they're worth more money. Are you getting them? As a
rule hens stop laying when prices go up but it is not their
fault. They can't get the proper material. Feed them

WELCOME WORDS TO WOMEN.

Women who suffer with disorders pecu-
liar to their sex should write to Dr. Pierce
and receive free the advice of a physician
of over forty years' experience—a skilled
and successful specialist in the diseases
of women. Every letter has the most
careful consideration and is regarded as
sacredly confidential. Many sensitively
modest women write fully to Dr. Pierce
what they would shrink from telling to
their local physician. The local physician
is pretty sure to say that he cannot do
anything without "an examination." Dr.
Pierce holds that these distasteful exami-
nations are generally needless, and that
no woman, except in rare cases, should
submit to them.

Dr. Pierce's treatment cures in the
privacy of your home. His Favorite
"Prescription" has cured hundreds of
thousands of bad cases. It is the only
medicine of its kind that is the product
of a regularly graduated physician and
unscrupulous medicine dealers may offer
you a substitute. Don't take it. Don't
trifle with your health.

Write to Dr. V. C. Pierce, Buffalo,
N. Y.—take his
advice and be
well.

Mrs. R. D. Monfort, of
Loburn, Warren Co.,
writes: "I have received
the 'Medical Adviser.' A
crisp, new five dollar bill
could not tempt me to
part with it."
On receipt of 21 one-
cent stamps, to pay cost
of mailing only, we will send to any ad-
dress a paper-bound copy of Dr. Pierce's
great 1000-page book, "The Common
Sense Medical Adviser." Dr. Pierce for 31
years the same in cloth binding. Ad-
dress Dr. V. C. Pierce, Buffalo, N. Y.

The Original LITTLE LIVER

Pierce's PILLS, first put up by old Dr.
J. C. Pierce over 40 years
ago. Much imitated, but never equaled.
Little pill, little dose, but give great re-
sults in a curative way in all derange-
ments of Stomach, Liver and Bowels.

Bears of Okefenokee Swamp.

The great Okefenokee swamp begins
not far from Waycross, Ga., and ex-
tends due south for a distance of about
forty miles, running over into Florida.
Here in this vast tract of desolate bog
and swamp are thousands of black
bear and deer and wild turkeys with-
out number. The whole region is a
hunter's paradise, and yet so abundant
is the game in this remote and desolate
country that it does not seem to dimin-
ish in spite of the hunters. The bears
weigh from 200 to 300 pounds and put
in a great part of their time preying
upon the pigpens of the farmers. If
forced into a fight they are dangerous
antagonists, and no prudent hunter will
attack one save at a point of vantage.
—Washington Post.

Sea Gypsies.

In the archipelago of Mergui, off the
coast of lower Burma, Asia, live the
"sea gypsies." Instead of carts they
own covered boats, in which, with their
families, dogs, cats, chickens and pigs,
they float about on the sea and wander
from island to island. By day they fish
or harpoon turtles or dive for oysters,
but every night they put back to the
shore. If the weather is bad at sea they
land with their dogs and then
poach, catching porcupines, squirrels,
armadillos, hog deer and the like, of
which they make savory stews, like our
gypsies.

An Artist's Criticism.

Probably no two artists ever criti-
cised each other more severely than
did Fusell and Northcote, yet they re-
mained fast friends. At one time Fu-
sell was looking at Northcote's paint-
ing of the angel meeting Balaam and
his ass. "How do you like it?" asked
Northcote after a long silence. "North-
cote," replied Fusell promptly, "you're
an angel at an ass, but an ass at an
angel."

Why We Can't Be Great.

Emerson defined greatness as sim-
plicity. "Indeed, to be simple is to be
great." The question emerges, Is life
simple today? If not, will it be simpler
tomorrow? If not, then how can there
ever again be such greatness as in the
past in a world of ever increasing com-
plexity?—Harper's Weekly.

Why She Left.

"Yes, my wife attended but one ses-
sion of the club."
"What caused her to quit it?"
"She found out that the rules put a
time limit of five minutes on all
speeches."—Cleveland Plain Dealer.

One Cold and Another

The season's first cold
may be slight—may yield
to early treatment, but the
next cold will hang on
longer; it will be more
troublesome, too. Un-
necessary to take chances
on that second one. Scott's
Emulsion is a preventive
as well as a cure. Take

when colds abound and
you'll have no cold. Take it
when the cold is contracted
and it checks inflamma-
tion, heals the membranes
of the throat and lungs
and drives the cold out.

The Greatest American Two-
Cylinder Touring Car Ever Sold
FOR \$1550.00

This car is superior in design and speed, to many
of the best two-cylinder cars built in 1904—cars which
sold for from \$2000 to \$3000.

20-H. P. Oldsmobile Touring Car.

This is the latest Oldsmobile creation—a 20-H. P.,
two-cylinder touring car with side entrance. Double
exhaust completely eliminated. It combines comfort
with speed, hill-climbing ability and plenty of sur-
plus power.

It is roomy and comfortable. Its distributed weight
and long spring action permit 5 to 10 miles per hour
increased speed over rough country roads with comfort
and this case of spring saves tire expense and general
wear and tear.

It is very easily controlled and is quick in action.
It runs at high speed up to 40 miles an hour. This
machine is very popular in San Francisco as it has the
power to take heavy grades on high speed. This
space is too limited to give full description; the whole
story is told, however, when we say "There is no
other \$1550.00 machine of its class to equal it."

Let us prove this to you.

Don't forget that our French Type Runabout at
\$800.00 (F. O. B. San Francisco) has no equal. Our
side Curved Dash (\$1000.00) is a standard "Office as
Wheels." Our Johnson (\$1000.00) is a slow speed
family car. Altogether we have twelve types of
machines. OLDSMOBILE runs the year through
and run for years. The wear and tear expense is
\$1.00 to \$5.00 for other makes.

Our WINTON Four-Cylinder Touring Cars
have all cars of their class "drives to
the full timber"—4 Models, 16 to 50 H. P.

PESCADERO, July 14.—Most of the land-owners about Pescadero have decided their rights of way to the Ocean Shore Electric Railroad Company.

There is always one man in every community who tries to kill any new enterprise that is suggested, and this place is no exception. A man who has talked railroad for years, now that the prospect is good for one, refuses to sell, much less give a right of way over his property.

It is hard to say just what should be done in a case of that kind, but only to let the law take its course.

E. Skinner and Justice Coburn were the victims of a runaway accident while on a recent trip to Redwood City. The former received a fractured arm and other bruises, but the judge was more fortunate only receiving a severe shaking up.

Tribelet Speedily Acquitted.

John Tribelet, accused of having robbed Louis Goetzheim some weeks ago, was tried before a jury in the Superior Court Wednesday. The evidence presented was almost the same as given in the Justice Court. In the afternoon the case was submitted to the jury without argument and after five minutes' deliberation the jury returned with a verdict of not guilty. District Attorney Bullock at once made a motion to dismiss the case against Wm. Clifford, who was jointly charged with the crime, there being insufficient evidence to hold the defendant. The Court granted the motion.

PESCADERO PEBBLES.

PESCADERO, July 14.—Most of the land-owners about Pescadero have decided their rights of way to the Ocean Shore Electric Railroad Company.

There is always one man in every community who tries to kill any new enterprise that is suggested, and this place is no exception. A man who has talked railroad for years, now that the prospect is good for one, refuses to sell, much less give a right of way over his property.

It is hard to say just what should be done in a case of that kind, but only to let the law take its course.

E. Skinner and Justice Coburn were the victims of a runaway accident while on a recent trip to Redwood City. The former received a fractured arm and other bruises, but the judge was more fortunate only receiving a severe shaking up.

LA HONDA ZEPHYRS.

LA HONDA, July 14.—There was a grand masquerade ball in Sears' hall Wednesday night, and strange to say there were men enough to go around, so that a most enjoyable evening was spent. There were many pretty costumes and more comic ones. The following are those who were in masquerade: Miss May Kessing, as Dawn; Miss May Cuneo, as Nurse; Mrs. H. L. Stacy, Mother Goose; Mrs. Chas. Lightner, Topsy; Miss Elsie Jones, Sunshine; Mrs. A. E. Woods, Mignon; Miss N. Vocke, society belle; Mrs. B. W. Bernhard and Miss Ella Kelting, school girls; Mrs. I. D. Harry Sears, Delia; Charlie Dale, ghost; Mr. and Mrs. Hugh Dougherty, Mr. and Mrs. Spoolenke; Mrs. Margaret Sheehan.

Tribelet Speedily Acquitted.

John Tribelet, accused of having robbed Louis Goetzheim some weeks ago, was tried before a jury in the Superior Court Wednesday. The evidence presented was almost the same as given in the Justice Court. In the afternoon the case was submitted to the jury without argument and after five minutes' deliberation the jury returned with a verdict of not guilty. District Attorney Bullock at once made a motion to dismiss the case against Wm. Clifford, who was jointly charged with the crime, there being insufficient evidence to hold the defendant. The Court granted the motion.

Goess-Engledow Wedding.

Miss Theresa A. Goess of Elmhurst was married on Saturday afternoon to Ulysses G. Engledow, a business man of San Francisco. The ceremony was performed by Rev. W. Kent, at the residence in Redwood City. Both the principals at Saturday's wedding are well known and have a large circle of friends in Elmhurst and San Francisco who exchanged the heartiest congratulations and wish the newly married couple much happiness and prosperity. They will reside in Elmhurst.
